A non-profit organization, The Santa Rosa Regional Horseless Carriage Club was chartered on September 23, 1955. Monthly meetings are currently held at members' homes or at a local restaurant on the 3rd Thursday of each month at 7 p.m. unless otherwise notified. Members are notified of the meeting dates and events by the **SIDE LIGHTS**, the Club's monthly newsletter. Guests are welcome at all meetings.

THE SIDE LIGHTS was first published in July 1959 to inform members of meetings and current events. It is mutually exchanged with other **HCCA Regional Groups** and is circulated to paid members, National HCCA Directors, HCCA Gazette Editor and paid advertisers. Opinions expressed by **THE SIDE LIGHTS** contributors are not necessarily those of **The Club**. Materials to appear in **THE SIDE LIGHTS** must reach the **Editor** by the third of each month as much as possible in order to be publicized in a timely manner.

- NOTES:** (1) National HCCA membership is a mandatory pre-requisite to any Regional HCCA Group membership. However it is not necessary to own a pre-16 vehicle.
(2) Other HCCA clubs may reprint any material contained herein for their use.

PRESIDENT'S MESSAGE

Presidents Message

The March meeting had a good turnout with 13 members attending. The Fishermans festival tour will be April 15th. The tour takes us on some great back roads and along the coast to Bodega bay. It's always a good tour and the festival is always fun. There's a lot of interest in the old cars from the festival goers. Some members will be attending the Bakersfield event which is just before the Fishermans festival. We had a problem with the post office box, but it should be resolved soon. There was some discussion on having another yard sale as a fund raiser for the club. Last years sale was a success and its a good way to get rid of some unwanted stuff while adding to the club's bank account. Maybe we can have a club event with the revenues? Guy and Michelle Smith have a new car that came from Gale Shaw's collection. Gale moved to Monterrey, but we hope he comes back for one of our tours. I look forward to the fishermans festival and hope everyone is doing well.

Meeting Minutes

The March 15th meeting of the SRHCC was held at Round Table Pizza on Marlow Road in Santa Rosa, CA and was called to order at 7:00 pm by President Bill Scales.

Attendees: We had 13 attendees this month: Linda and John Pearson, Linda and Daryl Eggleston, Vicky Porter, Don Johnson, Guy and Michelle Smith, Bill Scales and Cinda Craven, Jay Whited, and Kim and Wayne Simoni. No guests or new members were present.

Secretary's report: No minutes were published last month as both the President and Secretary were not at the last meeting.

Treasurer's report: Linda Eggleston reported the club treasury balance. Dues have not been received from 5-6 of our member families. If you have not paid, please mail the \$35 dues to Linda Eggleston to remain a member in good standing.

Correspondence/Editor: Jay is not able to access our Santa Rosa P.O. box. Linda Eggleston and John Pearson to investigate.

Old Business: We agreed we would like to do another club fundraising garage sale this year, maybe in May or June. Start rounding up items you know longer want or use to donate. We'll try to advertise this year's sale more widely.

New Business: Gail Shaw has moved down to Monterey. We miss him already!

Tours: It's time again for the Annual Bodega Bay Fisherman's Festival! This year's tour will be on April 15th. Details to follow. Several members will be attending the HCCA National Convention and Yosemite Tour April 7th-11th, followed by a trip to Bakersfield for the swap meet.

Sunshine: Stan Romando had to make a trip to the ER for a bad case of bronchitis but is doing fine now.

Membership: No report.

Website: Wayne reported our website has been updated to add tours. Be sure to check it out!

Car Talk: Guy and Michelle are the new owners of a 1912 Model T Torpedo that was previously owned by both Gail Shaw and Max Meyer. Guy says it needs some brass polish (Wayne knows where he can get some!) and that it is harder to drive than most airplanes he's flown! Wayne has recently added an overdrive to his 1912 Torpedo.

Meeting was adjourned at 7:25pm.

Respectfully submitted,
Cinda Craven, Secretary

How Often Does a
 Piston Slap?

Editor Automobile Trade Journal:

In what cycle of a four cycle motor does piston slap occur? Why does it occur? What causes it? Can you prove it?—Geo. A. Dobson, Elburn, Ill.

When the clearance between the piston and the cylinder wall is exceptional the former moves back and forth and this movement produces what is known as piston slap.
