A non-profit organization, The Santa Rosa Regional Horseless Carriage Club was chartered on September 23, 1955. Monthly meetings are currently held at members' homes or at a local restaurant on the 3rd Thursday of each month at 7 p.m. unless otherwise notified. Members are notified of the meeting dates and events by the **SIDE LIGHTS**, the Club's monthly newsletter. Guests are welcome at all meetings.

THE SIDE LIGHTS was first published in July 1959 to inform members of meetings and current events. It is mutually exchanged with other **HCCA** Regional Groups and is circulated to paid members, National **HCCA** Directors, **HCCA** Gazette Editor and paid advertisers. Opinions expressed by **THE SIDE LIGHTS** contributors are not necessarily those of The Club. Materials to appear in **THE SIDE LIGHTS** must reach the Editor by the third of each month as much as possible in order to be publicized in a timely manner.

- NOTES:** (1) National **HCCA** membership is a mandatory pre-requisite to any Regional **HCCA** Group membership. However it is not necessary to own a pre-16 vehicle.
(2) Other **HCCA** clubs may reprint any material contained herein for their use.

President's Message

The November meeting was well attended. All officers and board members will remain in their current positions for another year. We had some great tours and events this past year, and I look forward to what next year will bring. Don't forget to sign up with Kim Simoni for the January 20, 2019 Installation Dinner at the Union Hotel in Occidental. It's always a great way to start off the new year!

Meeting Minutes

The November 15th meeting of the SRHCC was held at Round Table Pizza on Marlow Road in Santa Rosa, CA and was called to order at 7:00 pm by President Bill Scales.

Attendees: We had 15 attendees this month: John and Linda Pearson, Guy and Michelle Smith, Bill Scales and Cinda Craven, Stan Romando, Don and Pam Johnson, Daryl and Linda Eggleston, Dick Winterhalder, Kim and Wayne Simoni, and Jay Whited. No guests or new members were present.

Secretary's report: Last month's minutes were approved as published in the Sidelights.

Treasurer's report: Jay submitted a bill for \$23 for two months of the Sidelights publication and mailing. \$100 was spent on happy hour food for the overnighter. Linda Eggleston reported we have \$745.69 in our treasury.

Correspondence/Editor: Mail is now being successfully forwarded from our old P.O. box to the Egglestons. No correspondence was received this month.

Old Business: None.

New Business: Election of new officers was discussed. John Pearson moved that all officers stay the same for 2019. Wayne Simoni seconded the motion and it passed unanimously.

Tours: Several members attended the Sharpsteen Museum horseless carriage exhibit by the Bay Area HCC. The overnighter was a success with 4 vintage cars and 2 moderns on tour. We discussed having the overnighter in the spring next year. Kim Simoni is coordinating the January 20th Installation Dinner at the Union Hotel in Occidental. She will send a sign-up email out soon.

Sunshine: Linda sent a card to the Simoni's for the loss of their beloved dog Woody. Guy Smith is getting his voice back! Dick Winterhalder got a cochlear implant a couple of weeks ago. His hearing is getting better each day, but it will take at least 6 months to a year before his brain fully adjusts. Happy 40th Anniversary Guy and Michelle. They are going to Hawaii to celebrate!

Website: Wayne has updated the website with next year's schedule. Check it out!

Membership: We received a membership application from Bruce and Linda Burton from Willits.

Car Talk: Eggleston's have returned from a cruise to the Caribbean. Yes, it was wonderful! Wayne lost two tires on his way to the Geyserville Fall Colors Festival. The stems were both sheared off the tubes and he had to be towed home. He found it's hard to find a tow truck in Healdsburg on Sunday.

Meeting was adjourned at 7:40pm.

Respectfully submitted,
Cinda Craven, Secretary

Note—Crankcase and oilers are filled when the car leaves the factory. Only when they are tampered with in transportation—which is a rare occurrence—does the necessity for refilling arise.
