A non-profit organization, The Santa Rosa Regional Horseless Carriage Club was chartered on September 23, 1955. Monthly meetings are currently held at members' homes or at a local restaurant on the 3rd Thursday of each month at 7 p.m. unless otherwise notified. Members are notified of the meeting dates and events by the **SIDE LIGHTS**, the Club's monthly newsletter. Guests are welcome at all meetings.

THE SIDE LIGHTS was first published in July 1959 to inform members of meetings and current events. It is mutually exchanged with other **HCCA Regional Groups** and is circulated to paid members, National HCCA Directors, HCCA Gazette Editor and paid advertisers. Opinions expressed by **THE SIDE LIGHTS** contributors are not necessarily those of **The Club**. Materials to appear in **THE SIDE LIGHTS** must reach the **Editor** by the third of each month as much as possible in order to be publicized in a timely manner.

- NOTES:** (1) National HCCA membership is a mandatory pre-requisite to any Regional HCCA Group membership. However it is not necessary to own a pre-16 vehicle.
(2) Other HCCA clubs may reprint any material contained herein for their use.

HCCANATIONAL NEWS

Re: Marian Welch, Voting, QR Stickers, 2017 HCCA Convention, Holiday Wishes

Issue: 2016-11-22 #11

- **Last Reminder for Marian Welch Award** □ There are members that deserve recognition for years of service to the local and national HCCA organization. This is the highest club recognition that an individual can receive. Just to be nominated is an honor. Send detailed information on the HCCA member that you think should be considered for the award. Nominations for candidates for the 2017 award are to be sent to:

Gil Klecan
2966 N Arroyo Drive,
San Diego, CA 92103
(gilklecan@hotmail.com).

Make sure you get your candidate information to Gil Klecan by the end of **November 2016**.

- **EVERY Vote Counts** □ The HCCA Board of Directors consists of 3 classes of 5 directors. Each year the term of one director class expires and 5 new directors need to be elected. In the September/October issue of the Gazette, you received pictures and biographies of the 7 nominee candidates. If you are a voting HCCA member you received a ballot to cast your vote. This is your opportunity to vote for your representatives. Your vote makes a difference. Each ballot submitted to be valid must have five candidates selected. All ballots must be **received by the HCCA auditor by December 15, 2016**.
- **HCCA QR Stickers** □ Some members have asked what is a QR code? In November the leader of a tour in CT handout the new HCCA stickers with a description. A QR code (abbreviated from Quick Response Code) is a matrix barcode on a machine-readable optical label that contains information or a link to a web site when scanned. The HCCA sticker, when scanned by a smart phone, will take the viewer to the HCCA web site so they can learn more about our club and, hopefully, become a member. Stickers can be obtained from the HCCA office.
- **Planning for Next year** □ As we get to the end of 2016, we need to remind members that it is time to begin planning for next year. We need to make every attempt to insure each year that a diversified group of members gets involved so that the focus of the organization represents what the members want □ If you want to make a difference, you should contact the leaders of your local organization or at the National level contact, the HCCA office or President □ You can make a difference; it is as easy as driving your Horseless Carriage. Get Involved □
- **HCCA National Convention** □ Oklahoma City, OK March 11-15, 2017 □ Four days of of touring, evening entertainment and the HCCA Annual meeting. Day after convention is the Chickasha Pre-War Swap Meet only 40 miles away. Opening dinner is Sat night. For more information contact □
Chris Paulsen cp7254@hotmail.com
- **New Century Plaque Address** □ I am still receiving Plaque requests to my old address. In July 2016, the administrator of the program, Carl Pate moved from CT to [26 Washington St, Rocky Hill, NJ 08553](#). Remind others of the address change.
- **President's Thanks to Members** □ Because of the great year, I want to thank all of those members, leaders, editors, web site administrators, officers, and directors who volunteered their time and effort at the local and National level. The club's success is the result of all the volunteers.
- **Happy Holiday and New Year** □ The HCCA board of Directors want to wish you, your family and your local club a great Holiday and New Year. We are thankful for our family, friends and for what we can do for others.

NEXT I shall describe the little waist with the round neck, which may be reproduced from pattern No. 2471. This pattern, itself, is quite plain save for the tucking, which simulates a yoke and which provides the fullness over the bust. It comes in seven sizes from 32 to 44 inches bust measure.

After the material is tucked and cut, the lace is applied in the manner I have shown in the illustration. Any effective lace of irregular design will answer here and frequently there may be picked remnants of lace at a very small cost. While no design of lace would fit up the waist in just the manner I have shown, yet it may be adjusted and pieced together perfectly by dainty fagoting and the introduction of that tiny linen cord so often used with fagoting. The result will be exquisite and very costly-looking, too. In the actual pattern of this model the sleeve is plain but I have suggested a row of shirring in the middle order to gain a dressy effect in keeping with the style trimming. In this model like the last, the cost will depend upon the material employed. In selecting

your laces you may combine by fagoting bits of Point de Venise or Cluny with larger motifs of Valenciennes.
